these carts

2. Shimoga is a municipality constituted under the Regulation. Under proviso (a) to Sec 59 of the Regn there is no provision for the payment of toll for the conveyance of Govt. property and an amendment of the Regn is necessary to empower Govt to give special sanction in cases of the kind under reference.

3 Similar references In Govt Orders No 4698-9/Jud 58-07-4 and 12818-21/Jud 58-07-7 dt 21.11.1907 and 8.6.1908 respectively it was held that carts conveying arrack from the Central Distillery at Bangalore were exempt from the payment of tolls in the Bangalore and elsewhere The case is just the same in respect of carts conveying Govt. property belonging to the Forest Dept.

Inl File No. 285 of 1910

Serial No.	
2	To the Dy Commr, Shimoga District. No. 9158 S. S. 1911.

Invites the attention of the Municipal Council to provision(s) to Section 59 of the Mysore Municipal Regn and declines to sanction the Dy Commrs proposal. Also observes that the question whether the Forest Dept should pay any contribution for using public roads to convey forest produce by means of traction engine deserves to be separately considered

May the opinion of the Conservator of Forests be called for enquiry as to whether the Forest Department are willing to pay any and what contribution for the use of the roads in the municipality by the traction engine. Draft put up for approval or other orders.

BBM 20/5/11

It does not seem necessary for Govt to move in the matter - The Municipal Council may be expected to consult the Conservator of Forests wherever and make a reference to Govt if necessary.

A copy of the G O dated 8th May 11 may be sent to the Conservator of Forests

Enclosure No. 5

Re the levy of tax on carts conveying timber bamboos and Sandal wood to Government Depôt at Shimoga
Submits copy of resolution of the Municipal Board which met on the 31st January 1911.

No. 551 Office of the President of the Municipalities, Shimoga District, Dated February 1911.

From.

M. Srinivasa Row Esqr
President of the Municipalities
Shimoga District

To.

C. S. Balasundram Iyer Esqr. B.A.
Secretary to the Government of Mysore
General and Revenue Depts.

Sir,

I have the honor to submit herewith copy of note dated 26th January 1911 from Mr. L. Krishnarao, Assistant Commissioner, together with copy of its enclosures as regards the levy of toll on carts conveying timber, bamboos and Sandalwood to the Government Depôt at Shimoga and to state that the subject was placed before the municipal council which met on the 31st January 1911. The council resolved that they approve of the suggestion and that Government may be requested to sanction the levy of toll on such carts

From the enclosed notes and its enclosures it will be seen that a large number of carts is being employed every year for the purpose of conveying timber &c. A still larger quantity of timber is brought to the depôt by the traction Engines belonging to the Forest Department.

The traffic on this account is very heavy and the Municipality which has to maintain the roads in proper order is deprived of the toll to which carts not plying for hire or are otherwise liable

under the above circumstances.
I request that Sanction of Govern-
ment may be kindly obtained
for the levy of tolls on carts conveying
Timber, Sandalwood and Bamboos
to the Government depôt

Extract from the Board's resolu-
tion in the matter is herewith Submitted
for information

I have the honor to be,
Sir,
Your most obedient Servant.
R Simmons
President.

Read the President's Note dated 28-1-10 re the levy of toll on carts conveying timber, bamboos and Sandal wood to Government depôt

Resolved. The Board approved the suggestion

Note.

The Statement appended to the District Forest Officer's docket No 28 dated the 12th July 1910 gives the number of carts employed by the Forest Department for the transport of timber, Sandalwood and bamboos from the forests to the depôt at Shimoga during the past three years.

2 Excluding the quantities of timber brought into the depot by the Traction Engines (to the extent of about 48,760 cft) the bulk of timber, bamboos and Sandalwood appears to have been carried to the Depôt by country carts

3 On an average about 6800 carts are employed every year for this purpose and the traffic is so heavy that the Municipality is frequently [illegible] under contributions for repairing the damage done to the roads these carts pay no toll at present.

4. The question of levying toll on such carts was raised by the Municipal Councillors some months ago — But the objection of the Forest Department is that "Forest produce being the property of Government no toll is leviable on carts carrying such produce from the forest to the Depot

5 Rates for the mudalogy furnished by the Tahsildar, laid down in Government Proceedings No 1015-33 dated 31-03-2 Dated 9th November 09 for the levy of ferry charges on private carts in which the carts are loaded" applies to the carts employed by the Forest Department

for

for the transport of timber, bamboos and Sandalwood may be considered at the next meeting of the Municipal Council. Submitted to the President.
